

Your referral to the rapid diagnosis service

	<ul style="list-style-type: none"> • The rapid diagnostic service is a team of people who will help you find out why you are unwell
	<ul style="list-style-type: none"> • They will try to find the cause of your symptoms and see if you have or have not got cancer
	<ul style="list-style-type: none"> • A member of our team will be in touch with you within two working days <p>The hospital number may show as unknown or a private number on your phone</p>
	<ul style="list-style-type: none"> • Your appointment is important – if you cannot make it please let the team know
	<ul style="list-style-type: none"> • At your first appointment: - <ul style="list-style-type: none"> <input type="checkbox"/> You will need to bring a list of your current medications <input type="checkbox"/> You will be asked lots of questions <input type="checkbox"/> You may have some tests to help find the cause of your symptoms – these will be explained to you <input type="checkbox"/> You will have an examination of your body so please wear comfortable clothing <input type="checkbox"/> You are welcome to bring someone with you to your appointment

- After your appointment: -
 - You may be brought back in to clinic
 - More tests may be needed – these will be explained to you
 - Your test results will be explained to you
 - Based on your results a plan will be made with you about what will happen next
 - Your results will be shared with your GP – these can be shared with another named person if you want, such as a family member or carer

- Throughout your time with us a cancer care coordinator will support you

- If you have any questions or worries please contact the team on:
